Sir:

In view of the application filed on June 2, 2005 without the appropriate executed documents, and since Applicant's attorney has not yet received the "Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US)," for the above application, Applicant submits herewith a copy of the Declaration for the above identified application properly executed by the inventors.

Please note that an inadvertent error was made in that the third inventor's name was inadvertently omitted from the application cover sheet filed June 2, 2005. The executed Declaration and Power of Attorney submitted herewith is considered proper as the addition of the third inventor's name overrides the inadvertent omission. It is requested that the Office's records be corrected as indicated.

A check for the statutory fee of \$130.00 is attached. The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account. A duplicate copy of this paper is attached.
